A Message to Campers and Parents

As Head Women's Soccer coach at Siena Heights University along with Coach Ted Hanosh, we invite you to attend the annual Saint's Soccer Camp. This is a camp for boys and girls. The

summer is an excellent time to become a better soccer player. Our coaching staff will increase your knowledge of the necessary fundamentals you must have to improve as a player (shooting, passing, ball skills, and defense).

Our staff will also have you working at those athletic skills which help you improve on the above fundamentals. Most importantly, we will emphasize the development of an individual and group attitude. We believe that success is primarily based on having a positive attitude. We want this camp to be a fun and positive experience for the player. We will play games, have contests, run stations/drills and have fun. I look forward to working with you.

Any questions give me a call at 517.264.7879 or my cell phone at 517.403-9040.

Sincerely,

Scott Oliver
Head Women's Soccer Coach
